

## 1622.00.00 HCC (Hoosier Care Connect)

HCC is a managed care program for Medicaid members that are on a MED 1 category, **under 60 years of ~~and age and~~** are not:

- On Medicare
- In an institution
- On an approved HCBS waiver

HCC provides additional services including:

- Medication Therapy Management
- Health Care Coordination
- Access to a 24-hour Nurse Helpline

**For HCC members that turn 60, they will be rolled into the PathWays program (see IHCPPM 1624.00.00).**

HCC information is not stored in the eligibility system and DFR will not have visibility to HCC assignments. If a member has a question about the HCC, they can contact their MCE (managed care entity) listed on their insurance card or by calling member services at 866-963-7383.
