

1624.00.00 PathWays

PathWays is a managed care program for Medicaid members that are:

- 60 years of age and older
- Are in an aged, blind or disabled category (with or without Medicare)
- Can be receiving LTSS (long-term support services) including:
 - Resides in a nursing or long-term care facility
 - Are approved for an Aged and Disabled waiver
- BPHC individuals in a MED 1 category

Medicaid members that are not eligible for PathWays include:

- Those under 60
- HIP member of any age
- Hoosier Healthwise members of any age
- MAFG members
- DDARS waiver members including:
 - FSW (Family Support Waiver)
 - CIH (Community Integration and Habilitation Waiver)
- TBI (Traumatic Brain Injury Waiver)
- RCAP (Room and Board) members
- Medicaid members on the ESRD (End Stage Renal Disease) waiver
- Breast and Cervical cancer members on MA12
- I/DD residents in intermediate care facilities (ICF)
- ESO (Emergency Services Only) members

Native Americans will not be placed into the PathWays program but have the option to Opt-in.

PathWays information is not stored in the eligibility system and DFR will not have visibility to PathWays assignments. If there are questions regarding the PathWays program, the member or their authorized representative can contact the enrollment broker at 877-284-9294 (87-PATHWAY4) or they can contact the MCE (managed care entity) on their insurance card.
