

2402.00.00 CITIZENSHIP/IMMIGRATION STATUS

To be eligible for assistance, an individual must be:

- A citizen of the United States
- A U.S. non-citizen national (a person born in an outlying possession of the United States, American Samoa, or Swain's Island)
- An immigrant who is in a qualified immigration status as defined in Section 2402.20, and who meets the specific requirements of each program; or
- An individual who meets other specific requirements for a specific program as defined in the following sections.
