# **CY 2025 Strategic Plan - Evansville Campuses**

Goal #1 = To enhance safety for all, improve operational efficiency among campuses, elevate the quality of patient care, and foster seamless collaboration across all departments with the hospitals.

Goal #2 = To foster a culture of open communication, trust, and collaboration within the hospitals and with external partners, enhancing patient engagement and improving overall organizational performance.

Goal #3 = To cultivate a culture of high reliability across all departments and all levels within the hospitals, the Evansville Campuses will promote accountability for all staff and emphasize the importance of continuous improvement.
