

**Division of Mental  
Health and Addiction**

## **DMHA VISION**

An unyielding focus on promoting and supporting the mental health and wellness of the people of Indiana.

## **DMHA MISSION**

To champion mental health promotion and substance use disorder prevention, treatment and recovery systems that are high quality, seamlessly integrated and accessible to the people and communities of Indiana.

# DMHA CORE PRINCIPLES

Our three core principles are systems that are:

## **HIGH QUALITY**

- Person-centered
- Innovative
- Data-driven
- Evidence-based
- Peer-driven
- Culturally competent
- Trauma-informed

## **SEAMLESSLY INTEGRATED**

- Full continuum of care
- Strong partnerships
- Smooth referrals
- Minimized silos
- Functions with payer sources
- Include shared populations

## **ACCESSIBLE**

- Minimal administrative burden
- Accessible to clients and providers
- Easy to use
- Expedient
- Transparent
- Expedient access to care
