### Changing Your Password

- To change your password (required every 30 days), click **Password Change** on the main menu
- Follow the same procedure as changing password after first log-in (see page 1)

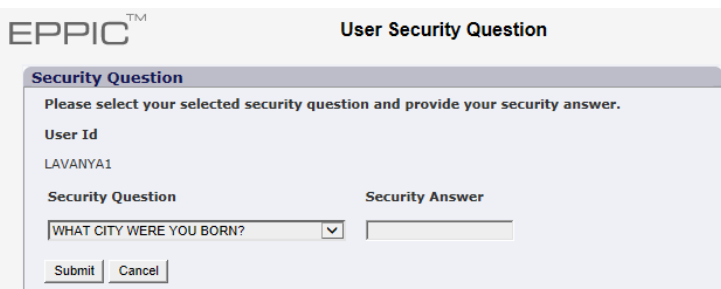

### Forgot Your Password?

- Click **Forgot Password?** link on Login screen, and you will be taken to the Security Question screen

- Enter **User ID**
- Click **Submit** button

- Choose your **Security Question** from the drop-down menu
- Type the **Security Answer** you used when you set up your profile
