Veterans Day (originally known as Armistice Day) is a federal holiday in the United States observed annually on November 11, for honoring military veterans of the United States Armed Forces (who were discharged under conditions other than dishonorable).

It coincides with other holidays including Armistice Day and Remembrance Day which are celebrated in other countries that mark the anniversary of the end of World War I.

Honor

The theme for Veterans Day 2022 is “Honor.” Veterans are proud of their military service in defending our Nation.

Honor reflects the military value and tradition of answering the call to duty.

There is distinct honor in serving to protect our way of life and the Constitution of the United States of America.

Major hostilities of World War I were formally ended at the *11th hour of the 11th day of the 11th month* of 1918 when the Armistice with Germany went into effect. At the urging of major U.S. veteran organizations, Armistice Day was renamed Veterans Day in 1954.

Veterans Day is distinct from Memorial Day, a U.S. public holiday in May. **Veterans Day celebrates the service of all U.S. military veterans**, while Memorial Day honors those who have died while in military service.

Another military holiday that also occurs in May, Armed Forces Day, honors those currently serving in the U.S. military. Additionally, Women Veterans Day is recognized by a growing number of U.S. states that specifically honor women who have served in the U.S. military.

The Veterans Crisis Line is 24/7, confidential crisis support for Veterans and their loved ones.

You don't have to be enrolled in VA benefits or health care to connect.

Thank you to all our Veterans at MSH,
both past and present,
patients and staff!
We honor you for your service.
