

# State Composite Address Locator

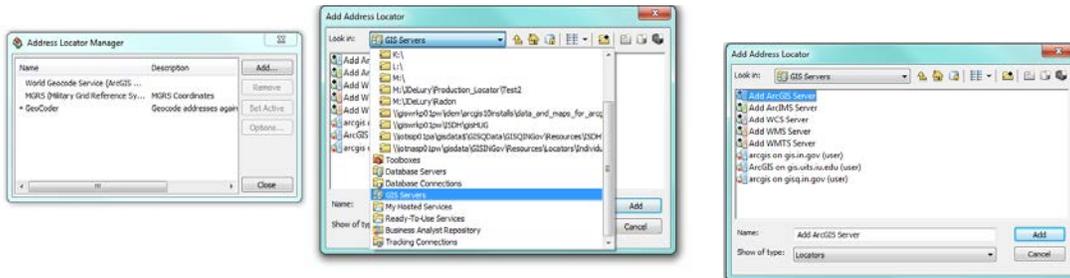

LOCATION: <https://gis.in.gov/arcgis/services>

To Access the locator from the geocoding toolbar:

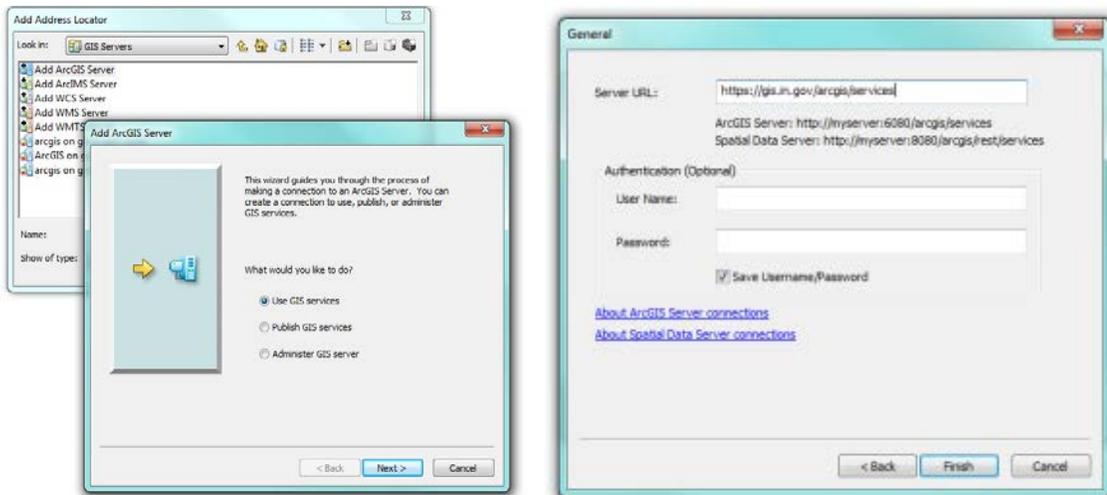

- Geocoding toolbar > GeoCoder > Manage Address Locators

- Address Locator Manager > Add > GIS Servers (From Drop down) > Add ArcGIS Server

- Pop-up > Use GIS services > add server URL (<https://gis.in.gov/arcgis/services>)

- Click on server connection > Select Indiana\_Composite\_Locator from list
