WHEREAS, after reviewing these recommendations, it is necessary and appropriate to take additional steps to implement Executive Order 20-16 as strict compliance with a number of education-related provisions in statute and rule would prevent, hinder, and/or delay necessary action in coping with this emergency;

WHEREAS, as Governor, I have broad authority and powers under Indiana law to declare and respond to public health emergencies on behalf of our State, including but not limited to: (a) making, amending, and rescinding the necessary orders, rules, and regulations to carry out Indiana’s Emergency Management and Disaster Law, Ind. Code ch. 10-14-3; (b) suspending the provisions of any regulatory statute prescribing the procedures for conduct of state business, including the orders, rules, or regulations of any state agency if strict compliance with any of these provisions would in any way prevent, hinder, or delay necessary action in coping with the emergency; and (c) using the services and facilities of existing officers, agencies of the state, and of political subdivisions, who shall cooperate with and extend services and facilities to the governor as I may request; and
