

MOVERS & MAKERS OF TOMORROW

SUMMER SUMMIT

A virtual gathering for high school students to learn more about manufacturing and logistics

Attention Hoosier high school students:

Join Conexus Indiana for the Movers & Makers of Tomorrow – Summer Summit

The summit is a virtual event aimed at:

- ◆ Showcasing the crucial advanced manufacturing and logistics industries of our state that have stepped up in crisis to combat coronavirus and continue to offer accessible career pathways to a large number of Hoosiers
- ◆ Developing employability skills such as teamwork, communication, interviewing and resume writing that will be relevant regardless of a student's chosen career path
- ◆ Bringing students together from across the state to build a sense of community and share experiences

When:

The summer summit kicks off on June 10, but new content and events will be delivered weekly through July 15

Where:

At your home (or another WIFI enabled location)

Items needed:

A computer, internet connection and a willingness to consider a new career pathway

Register [here](#) by **June 1**
