

Directors:

The IDOE has several fully executed contracts with assessment vendors for the 2018-2019 school year. The table below outlines each assessment vendor and the corresponding purchase order number to use when invoicing; I have also included the assessments covered under each contract. Please share this information with your fiscal agents / accounting staff.

Orders can still be placed by site coordinators at individual schools, but the CTE Directors and/or fiscal agents (eligible recipients) must approve the purchase orders. Some vendors, like MSSC, plan to work directly with CTE Directors for the approval process. Individual schools requesting payments will be sent the following message from the assessment vendors:

*Per the request of IDOE, the PO you have submitted to (vendor) must be submitted by your local District CTE Director for state reimbursement purposes this year. Please coordinate with your CTE Director if you wish to seek reimbursement for MSSC assessments.*

Please be advised that IDOE can only be invoiced for a student's first attempt on an assessment; any subsequent attempts beyond the first will be the responsibility of the individual student or school.

---

**Fully Executed Assessment / Vendor Contracts**

Assessment Vendor	PO Number	Assessments Covered
AAFCS	0020000545	1. Broad Field Family and Consumer Sciences 2. Culinary Arts 3. Early Childhood Education 4. Education Fundamentals 5. Family and Community Services 6.
