

GOT ASTHMA?

ASTHMA CLINICAL TRIALS

Principal Investigator:
Michael Busk, MD

Dr. Michael Busk of the St. Vincent Asthma Clinical Research Center is compiling a registry, or list, of asthma patients. The registry will assist in identifying areas needing to be researched and possible future asthma study participants.

Looking for individuals who:

- Are male or female
- Are any age
- Have a diagnosis of asthma
- May have co-existing medical conditions

Participation will include:

- One-time enrollment of patient information into the registry
- Enrollment over the phone or in person at the Asthma Clinical Research Center, 8333 Naab Rd., Suite 301, Indianapolis, 46260
