

## NATIONAL INTEREST WAIVER REQUIREMENTS FOR INDIANA

The Indiana Primary Care Office requires the following in order to issue a NIW recommendation letter:

1. A contract spanning five years of qualifying service (full-time (40 hours/week) in a designated medically underserved area (HPSA or MUA/P)).
  - The contract must be signed by the employer and the NIW candidate
  - The contract may contain a non-compete clause that is not overly burdensome.
  - Previous qualifying service (excluding the J-1 required service) can be counted as part of the five years.
  - If the applicant does not have a five-year contract for one location, documentation must be submitted for qualifying service.
2. A copy of the H-1 visa approval notice.
3. A copy of the J-1 visa waiver if applicable.
