Chè Paran/Responsab,

Sante ak byennèt tout elèv nan (name of school or corporation) se youn nan priyorite prensipal nou yo. Nou vle asire elèv nou yo ajou avèk vaksinasyon obligatwa pou Eta Indiana pou ede nou founi yon anviwònman sanite andedan school/corporation ak pou kominote nou an. Yon revizyon dosye vaksinasyon pitit ou montre li manke yon vaksinasyon oswa plis (oubyen yon dosye vaksinasyon ki ajou) ki egzije pa Ministè Sante Indiana a. Yon lis Vaksinasyon Indiana Egzije ak Rekòmande pou Lekòl parèt anba a.

Required and Recommended School Immunizations, Indiana 2024-2025

Updated 1.30.2024

Grade	Required	Recommended
Pre-K	3 Hepatitis B 4 DTaP (Diphtheria, Tetanus and Pertussis) 3 Polio 1 Varicella (Chickenpox) 1 MMR (Measles, Mumps and Rubella) 2 Hepatitis A	Annual influenza COVID-19
K-5	3 Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A	Annual influenza COVID-19
6-11	3 Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A 1 MCV4 (Meningococcal) 1 Tdap (Tetanus, Diphtheria and Pertussis)	Annual influenza 2 or 3 HPV (Human papillomavirus) COVID-19
12	3 Hepatitis B 5 DTaP 4 Polio 2 Varicella 2 MMR 2 Hepatitis A 2 MCV4 1 Tdap	Annual influenza 2 or 3 HPV 2 MenB (Meningococcal) COVID-19

HepB: The minimum age for the third dose of Hepatitis B is 24 weeks of age.

DTaP: Four doses of DTaP/DTP/DT are acceptable if fourth dose was administered on or after the fourth birthday.

Polio: Three doses of Polio are acceptable for all grade levels if the third dose was given on or after the fourth birthday and at least six months after the previous dose.
*For students in grades K-12, the final dose must be administered on or after the fourth birthday and be administered at least six months after the previous dose.

Varicella: Physician documentation of disease history, including month and year, is proof of immunity for children entering preschool through 12th grade. Parent report of disease history is not acceptable.

Tdap: There is no minimum interval from the last Td dose.

MCV4: Individuals who receive their first dose on or after their 16th birthday only need one dose of MCV4.

Hepatitis A: The minimum interval between first and second dose is six calendar months. Two doses are required for all grade levels.

For additional immunization information, visit: in.gov/health/immunization or call 1 (800) 701-0704 during normal business hours.

Enfòmasyon enpòtan sou vaksinasyon

Pou konfòme avèk egzijans eta a, tanpri asire pitit ou pran tout vaksinasyon nesesè yo anvan premye jou lekòl la. Dat limit la pou soumèt prèv vaksinasyon se [insert deadline date], elèv ki pa satisfè egzijans sa a kapab eskli nan lekòl jiskaske yo pran vaksen obligatwa yo. Si pitit ou poko

pran vaksinasyon sa yo, tanpri gade anba a pou oryantasyon sou kijan pou jwenn vaksinasyon obligatwa yo selon Kòd Eta Indiana IC 20-34-3-2:

- Jwenn vaksinasyon nan biwo founisè swen sante pitit ou
- Jwenn vaksinasyon nan klinik sante piblik Konte (your): (address and phone number of your county health department) pou mete randevou ak pou opsyon pou peman
- Mete kèlkeswa lòt kote nan kominote w ki ofri vaksen – pa egzanp, famasi lokal pou timoun laj 12 lane ak poi gran ki gen asirans sante, klinik kominotè, elatriye.
- Bay biwo sante lekòl la yon Fòmilè Egzansyon Medikal: <https://www.in.gov/doi/files/medical-exemption-form-providers.pdf> Fòmilè Egzansyon Medikal la dwe ranpli ak siyen pa founisè swen sante pitit ou. fòk li di ladan li alekri ke pitit ou fè yon kont-endikasyon medikal ki fè li pa ka pran yon vaksen spesifik. Anpil kont-endikasyon pou vaksinasyon pa pèmanan, donk ou dwe jwenn yon egzansyon medikal pou elèv la pou chak ane skolè. kòm yon vre kont-endikasyon medikal kont vaksinasyon spesifik pou chak vaksen, yon egzansyon medikal dwe ekri pou chak vaksen ki kont-endike.
- Si ou fè yon objeksyon relijye kont vaksen yo, objeksyon an dwe alekri, siyen pa paran timoun nan, epi livre bay lekòl la. Objeksyon relijye yo dwe di ladan yo ke objeksyon an kont vaksinasyon se pou rezon relijye. Pou asire estati objeksyon relijye kontinye a pou yon elèv, paran yo dwe bay dokimantasyon alekri pou objeksyon relijye a chak ane skolè. Pa genyen fòmilè eta pou objeksyon relijye. Egzansyon medikal ak objeksyon relijye dwe fèt chak ane skolè, avan 20 jou depi rantrè skolè a. Neglije konfòme pandan premye 20 jou depi rantrè skolè a kapab lakòz pwosedi esklizyon selon Kòd Eta IC 20-34-3-2 ak politik MCCSC 5320.

Pwograme randevou pa w

Nou rekòmande w pwograme randevou vaksinasyon pitit ou omwens de semèn anvan rantrè skolè a. Men kèk etap ou ka pran:

- Kontakte pedyat ou oubyen founisè swen sante w pi vit ki posib
- Pòte kèlkeswa dosye vaksinasyon nan randevou a

Sensèman,
