

## Indiana AWARE (Alliance Working for Antibiotic Resistance Education) Feedback Forms

**Instructions:**

Students, please fill out answers to the below questions to the best of your ability. Responses on this feedback form are for program assessment only, and will not show any reflection in your grade at school. You will be given this feedback form prior to a presentation on "Bacteria, Antibiotics, & Resistance" and again after. We hope you will learn a few new things about antibiotics, and have some fun in doing so!

Thanks in advance for your help,  
The Indiana AWARE Team

Top Portion to be filled out both BEFORE AND AFTER you have listened to the presentation on "Bacteria, Antibiotics, & Resistance:"

1. Please explain as best as you can what antibiotics are, and what specifically they treat:

---

2a. Do you know what antibiotic resistance is? (Circle one:) Yes    No

2b. In your own words, please explain what antibiotic resistance is:

---

3a. Do you know what a superbug is? (Circle one:) Yes    No

3b. In your own words, please explain what a superbug is:

---

Bottom Portion to be answered ONLY AFTER you have listened to the presentation on "Bacteria, Antibiotics, & Resistance:"

1. Do you think your knowledge of bacteria, antibiotics, resistance, and superbugs has improved after listening to the presentation? (Circle one:) Yes    No

Please explain your answer above in as much detail as you can:

---

2. Did you enjoy learning about the above topics? (Circle one:) Yes    No

3a. Would you like to have learned more about this topic than was presented? (Circle one:) Yes    No

3b. If yes, what else would you have liked to have learned?

---

4. As a result of the antibiotics presentation, what changes do you think you will make, if any?

---

5. Do you plan on sharing what you have learned with family and/or friends?

---
