FOR IMMEDIATE RELEASE - September 22, 2014 - Glaser Organic Farms has been notified by its supplier of a recall of Organic Carob Powder due to possible health risks related to *Salmonella* contamination. *Salmonella* is an organism which can cause serious and sometime fatal infections in young children, frail, or elderly people and others with weakened immune systems. Healthy persons infected with *Salmonella* often experience fever, diarrhea (which may be bloody), nausea, vomiting, and abdominal pain. In rare circumstances, infection with *Salmonella* can result in the organism getting into the bloodstream and producing more severe illnesses such as arterial infections (i.e., infected aneurysms), endocarditis, and arthritis.

Glaser Organic Farms has taken immediate action to recall Organic Carob Powder in order to ensure the safety of its consumers.

Products were distributed from May 7, 2014 thru July 23, 2014
