

## **Links for fruit and vegetable producers**

<http://www.ams.usda.gov/AMSV1.0/gapghp> : USDA Agricultural Marketing Service's fruit and vegetable audit program page. It includes information on the different voluntary audit programs offered by USDA, as well as a nationwide list of growers who are currently GAP/GHP certified.

<http://producesafetyalliance.cornell.edu/psa.html> : Produce Safety Alliance (Cornell). Information about the group, as well as a large data base of educational information from different states.

<http://onfarmfoodsafety.org/> : On-Farm Food Safety Product page. This site includes advice for small to medium-sized farmers on food safety certification. In addition to general educational materials, the site includes a free electronic resource that uses a series of yes or no questions to construct a food safety plan for the farmer, a document required by many certification programs.

<http://www.fda.gov/Food/FoodSafety/FSMA/default.htm>: Food Safety Modernization Act(FSMA) and link to proposed Produce Safety Rule.

## **Links for consumers**

<http://www.foodsafety.gov/> : Foodsafety.gov. This site includes recall information, cooking & storage information, safe habits, and topical articles regarding food safety. You can sign up to receive automatic recall information and food safety alerts to your phone, email, or computer desktop.

<http://www.fightbac.org/> : Fight BAC! campaign official website. A partnership between government, industry, and consumer groups that includes free educational materials.

[http://www.usda.gov/wps/portal/usda/usdahome?navid=KYF\\_COMPASS](http://www.usda.gov/wps/portal/usda/usdahome?navid=KYF_COMPASS) : USDA Know your Farmer, Know your Food. Information about programs supporting local food searchable by state.
