

Indiana State Department of Health Children and Hoosiers Immunization Registry Program – MyVaxIndiana

Activating MyVaxIndiana Access for Your Patients

This guide provides a step by step process on how providers can activate MyVaxIndiana access for their patients in CHIRP. If you need any assistance with this or other processes concerning MyVaxIndiana please email myvaxindiana@isdh.in.gov

1. Login into CHIRP and using the **Patient Search** selection from your menu, look-up your patient's record.
2. The **first step** is to verify the parent or guardian is listed as the contact under **Family & Contact (patient demographics screen)** as seen below. This will ensure they can get the record from the site, this name is going to be the Requestor's name on MyVaxIndiana (depending on age: 18 and under would have their legal guardian's name 19+ would have their own name): Choose **Edit** to add this information if it is not already entered.

- Family & Contact		
Guardian 1 First:		Guardian 2 First:
Guardian 1 Middle:		Guardian 2 Last:
Guardian 1 Last:		Equipment Type
Phone Number	Phone Use Code	

On the MyVaxIndiana web site this is what the end user sees:
