

# Indiana Perinatal Quality Improvement Collaborative 2022-2024

- *Ensure all women of childbearing age in Indiana have access to comprehensive, trusted and risk appropriate health care before, during and after pregnancy.*
- *Ensure that all Indiana parents and caregivers have access to the resources and supports they need to ensure their infants thrive and celebrate their first birthday.*
- *All pregnant persons with substance use and/or mental health challenges have access to and receive risk appropriate treatment and support services*
- *All pregnant persons receive timely, high quality, equitable and trusted prenatal care that results in an uncomplicated delivery and a healthy term baby.*
- *All parents receive the support and resources needed post discharge to meet their individual needs and improves their opportunity to see their child's first birthday.*
