### **FDA Warning Regarding 26 Eye Drop Products**

The U.S. Food and Drug Administration (FDA) issued a warning to not purchase and to immediately stop using [26 over-the-counter eye drop products](#) due to potential for risk of eye infections that could result in vision loss. The agency investigators found positive bacterial test results from environmental sampling of critical drug production areas in the manufacturing facility. FDA recommended the manufacturer of these products recall all lots on October 25, 2023.

### **Long-term Care Survey Area Map**

An updated long-term care survey area map is available [here](#). This map reflects changes only in the phone numbers of the Area Supervisors, which was necessitated by changes in the Indiana Department of Health phone system.
