Standard Operating Procedures for COVID-19 and IP Checklist – Revised

The [LTC COVID-19 Clinical Guidance](#), [COVID-19 Regulatory Visitation and Activities Guidance for LTC](#), [COVID-19 Infection Control Guidance in LTC Facilities](#) and [Infection Preventionist Facility Checklist for COVID-19 Outbreaks](#) have been updated to reflect the most current CDC guidance and can be found at <https://www.coronavirus.in.gov/professional-resources/> under Long-term Care Facilities.

COVID-19 Visitor and Staff Screening Tool – Revised

The [COVID-19 Visitor and Staff Screening Tool](#) has been revised and combined into one tool that includes “up to date” on vaccination terminology.

The **COVID-19 IP Toolkit** is being revised to include the newest guidance as well and will be added to the professional resources when completed.
