## Guide By Your Side Parent Guides

Guide by Your Side is a program offered by Indiana Hands and Voices and EHDI that provides direct parent to parent support to families after a child is identified as deaf and hard of hearing. This support is offered for one year after identification at no charge to families.

## ASTra - Advocacy, Support and Training Program

The ASTra program from Indiana Hands & Voices provides advocacy, support and training to families with children who are deaf or hard of hearing (D/HH) and the professionals that serve them without a bias around communication mode or method so that every child who is D/HH has the opportunity to achieve their full potential in the educational setting.
