	(i) The facility must maintain a written fire and disaster preparedness plan to assure continuity of care of residents in cases of emergency as follows: (1) Fire exit drills in facilities shall include the transmission of a fire alarm signal and simulation of emergency fire conditions, except that the movement of nonambulatory residents to safe areas or to the exterior of the building is not required. Drills shall be conducted quarterly on each shift to familiarize all facility personnel with signals and emergency action required under varied conditions. At least twelve (12) drills shall be held every year. When drills are conducted between 9 p.m. and 6 a.m., a coded announcement may be used instead of audible alarms. (2) At least every six (6) months, a facility shall attempt to hold the fire and disaster drill in conjunction with the local fire department. A record of all training and drills shall be documented with the names and signatures of the personnel present.			
R 0120	Personnel - Noncompliance 410 IAC 16.2-5-1.4(e)(1-3) (e) There shall be an organized inservice education and training program planned in advance for all personnel in all departments at least annually. Training shall include, but is not limited to, residents' rights, prevention and	R 0120
