CENTERS FOR MEDICARE & MEDICAID SERVICES

timely renewed their license to operate as a residential care facility before their current license expired on June 30, 2026.

The agency received the facility's renewal application and payment post marked July 7, 2026, which was not at least 45 days of the current license expiration date of June 30, 2026.

place and what systemic changes will be made to ensure that the deficient practice does not occur again?

ED received proper training and technique for renewal of license, this will allow renewal to take place in a timely manner without a violation occurrence.

* How will the corrective action be monitored to ensure the deficient practice will not recur, what quality assurance program will be put into place?

ED will add renewal date to calendar to recur every year as notification to begin renewal process 30 days before date of expiration. Renewal notification will recur annually.

*By what date the systemic changes for each deficiency will be completed?

08/04/2026, the notification was added to calendar for annual reminder.

Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting provided it is determined that other safeguards provide sufficient protection to the patients. (See instructions.)
