R 0026	Residents' Rights - Noncompliance 410 IAC 16.2-5-1.2(a) (a) Residents have the right to have their rights recognized by the licensee. The licensee shall establish written policies regarding residents ' rights and responsibilities in accordance with this article and shall be responsible, through the administrator, for their implementation. These policies and any adopted additions or changes thereto shall be made available to the resident, staff, legal representative, and general public. Each resident shall be advised of residents ' rights prior to admission and shall signify, in writing, upon admission and thereafter if the residents ' rights are updated or changed. There shall be documentation that each resident is in receipt of the described residents ' rights and responsibilities. A copy of the residents ' rights must be available in a publicly accessible area. The copy must be in at least 12-point type and a language the resident understands.	R 0026		
R 0052	Residents' Rights - Offense 410 IAC 16.2-5-1.2(v)(1-6) (v) Residents have the right to be free from: (1) sexual abuse; (2) physical abuse;	R 0052

	(3) mental abuse; (4) corporal punishment; (5) neglect; and (6) involuntary seclusion.			
R 0117	Personnel - Deficiency 410 IAC 16.2-5-1.4(b) (b) Staff shall be sufficient in number, qualifications, and training in accordance with applicable state laws and rules to meet the twenty-four (24) hour scheduled and unscheduled needs of the residents and services provided. The number, qualifications, and training of staff shall depend on skills required to provide for the specific needs of the residents. A minimum of one (1) awake staff person, with current CPR and first aid certificates, shall be on site at all times. If fifty (50) or more residents of the facility regularly receive residential nursing services or administration of medication, or both, at least one (1) nursing staff person shall be on site at all times. Residential facilities with over one hundred (100) residents regularly receiving residential nursing services or administration of medication, or both, shall have at least one (1) additional nursing staff person awake and on duty at all times for every additional fifty (50) residents. Personnel shall be assigned only those duties for which they are trained to perform. Employee duties shall conform with	R 0117

	written job descriptions.			
R 0120	Personnel - Noncompliance 410 IAC 16.2-5-1.4(e)(1-3) (e) There shall be an organized inservice education and training program planned in advance for all personnel in all departments at least annually. Training shall include, but is not limited to, residents' rights, prevention and control of infection, fire prevention, safety, accident prevention, the needs of specialized populations served, medication administration, and nursing care, when appropriate, as follows: (1) The frequency and content of inservice education and training programs shall be in accordance with the skills and knowledge of the facility personnel. For nursing personnel, this shall include at least eight (8) hours of inservice per calendar year and four (4) hours of inservice per calendar year for nonnursing personnel. (2) In addition to the above required inservice hours, staff who have contact with residents shall have a minimum of six (6) hours of dementia-specific training within six (6) months and three (3) hours annually thereafter to meet the needs or preferences, or both, of cognitively impaired residents effectively and to gain understanding of the current standards of care for residents with dementia.	R 0120

	resident and facility as needs or desires change. Either the facility or the resident may request a service plan review. (3) The agreed upon service plan shall be signed and dated by the resident, and a copy of the service plan shall be given to the resident upon request. (4) No identification and documentation of services provided is needed if evaluations subsequent to the initial evaluation indicate no need for a change in services. (5) If administration of medications or the provision of residential nursing services, or both, is needed, a licensed nurse shall be involved in identification and documentation of the services to be provided.			
R 0407	Infection Control - Noncompliance 410 IAC 16.2-5-12(b)(1-4) (b) The facility must establish an infection control program that includes the following: (1) A system that enables the facility to analyze patterns of known infectious symptoms. (2) Provides orientation and in-service education on infection prevention and control, including universal precautions. (3) Offering health information to residents, including, but not limited to, infection transmission and	R 0407
