sanitation and safe food handling standards, including 410 IAC 7-24.

Based on observation and interview, the facility failed to ensure expired foods were discarded and opened food items dated for 2 of 2 refrigerators observed for safe food storage.

(walk-in-refrigerator and standard-refrigerator)

Findings include:

1. On 4/19/24 at 10:47 a.m., the following observations were made in walk-in refrigerator:

- 4 small side salads partly covered with parchment paper and undated
- a large metal tub of sliced lemons undated
- opened black forest torte cake undated
- a metal container with coleslaw with an expiration date of 4/16/24
- sliced pineapples with an expiration date of 4/14/24
- 3 metal tubs with slice cucumbers, diced tomatoes and shredded carrots undated
- an undated opened package of sausage patties
- a container of opened sweet

dates noted, including opened items. Items that had expired expiration dates were immediately discarded. Additionally, an audit was completed to ensure that food items were covered as appropriate. Cooks have been re-educated on current Serv-Safe Guidelines.

3.The facility follows Serv-Safe guidelines as policy and procedures for food storage. The current Serve-Safe guidelines were reviewed, and the facility will continue with these guidelines.

4.The Director of Culinary Services, or designee, will utilize the Food Audit Tool (See attachment) to ensure continued compliance with this plan of correction. The audit tool will be completed weekly for 4 weeks, then twice a month for 2 months to ensure compliance is maintained. Thereafter, the Director of Culinary Services, or designee, will conduct random audits to ensure continued compliance is maintained.

and sour sauce with an expiration date of 3/21/24

- 2 squeeze bottles of cheese sauce with an expiration date of 4/3/24 and 4/13/24

- a squeeze bottle of teriyaki sauce with an expiration dated of 3/25/24

- a plastic container of teriyaki sauce with an expiration date of 3/1/24

- a squeeze bottle of taco sauce with an expiration date of 4/9/24

2. On 4/19/24 at 11:11 a.m., the following observations were made in the standard refrigerator:

- a plastic tub of feta cheese opened and undated

- a small bowl of a mini marshmallow dessert undated and uncovered.

During an interview on 4/19/24 at 10:45 a.m., Staff Member 2 indicated once an item reached the expiration date, it should have been thrown away.

On 4/19/24 at 10:51 a.m., Staff Member 3 indicated opened food items should have been dated for staff to know the expiration dates.

On 4/19/24 at 12:49 p.m., the Director of Nursing indicated
