R 0000	INITIAL COMMENTS This visit was for the Investigation of Complaint IN00461532. Complaint IN00461532 - State deficiencies related to the allegations are cited at R0052. Survey date: July 1, 2025 Facility number: 016046 Residential Census: 70 This State Residential Finding is cited in accordance with 410 IAC 16.2-5. Quality review completed July 2, 2025.	R 0000	This plan of correction constitutes this facility's written allegation of compliance for the deficiencies cited. The submission of this plan of correction is not an admission or agreement with the deficiencies or conclusions contained in the Indiana Department of Health's Inspection Report. Vita of New Whiteland respectfully requests consideration for a desk review of this plan of correction in lieu of post survey revisit.	
R 0052	Residents' Rights - Offense 410 IAC 16.2-5-1.2(v)(1-6) (v) Residents have the right to be free from: (1) sexual abuse;	R 0052	**What corrective action(s) will be accomplished for those residents found to have been affected by the deficient practice:** Resident B care plan shall be	07/16/2025

	(2) physical abuse; (3) mental abuse; (4) corporal punishment; (5) neglect; and (6) involuntary seclusion. Based on interview and record review, the facility failed to protect the resident's right to be free from neglect for 1 of 3 residents reviewed. This deficient practice resulted in a resident being left on the floor for multiple hours. (Resident B) Findings include: During an interview on 7/1/25 at 8:45 a.m., CNA 1 indicated Resident B's daughter had come into the facility, on 6/14/25, and showed CNA 1 a video from inside Resident B's room. On the video, CNA 1 observed Resident B on the floor at approximately 12:30 a.m. CNA 3 walked in the room and threw a pillow and then took Resident B's blanket off her bed and threw it at her. CNA 3 left the room with Resident B still on the floor. Resident B remained on the floor for approximately five hours. During an interview on 7/1/25 at 9:01 a.m., Family Member 1 indicated she had never seen anyone treated the way Resident B was treated. At that		updated with increased rounds by staff confirming fall interventions in place are effective. Involved staff educated and separated from community. **How will other residents having the potential to be affected by the same deficient practice be identified and what corrective action(s) will be taken:** All residents in the Memory Care area sustaining a fall who require assistance to recover from fall have the potential to be affected by the alleged deficient practice. An audit of care plans for Memory Care residents to be reviewed and/or updated by DNS/Designee for resident fall interventions with walking rounds to confirm in place. Care Staff to do room rounds every 2 hours to ensure fall interventions are effective. **What measures will be put into place or what systemic**	

time, Family Member 1 became tearful and indicated she had a camera in Resident B's room and the entire incident between Resident B and CNA 3 was recorded. Family Member 1 attempted to contact the facility to tell them Resident B was on the floor, on 6/14/25 at 12:50 a.m., 12:57 a.m., and 1:21 a.m., but there was no answer.

On 7/1/25 at 9:05 a.m., Family Member 1 provided her personal cell phone with security camera footage of Resident B's room. A review of the security camera footage indicated:

- On 6/14/25 at 12:54 a.m., Resident B was wearing a shirt and brief. Resident B was lying on her left side, on a fall mat next to her bed. Resident B sat up and leaned against the bed. Resident B remained on the floor.

- On 6/14/25 at 1:25 a.m., Resident B was still sitting on the floor approximately 3 feet away from her bed and was facing her bed (away from camera view). CNA 3 entered Resident B's room, threw a pillow on the floor, then took Resident B's blanket off of her bed and threw it at her while she was sitting up on the floor. CNA 3 left Resident B's room and loudly said bullsh*t. Resident B was still on the floor. Resident B

changes will be made to ensure that the deficient practice does not recur:

	laid her head on the pillow and covered herself. - On 6/14/25 at 4:42 a.m., Resident B was lying on the floor. CNA 3 walked into Resident B's room indicated to Resident B, it looks like you lost your pillow, then CNA 3 walked into Resident B's bathroom. - On 6/14/25 at 4:42 a.m., CNA 3 walked out of Resident B's bathroom with a brief. CNA 3 walked over to Resident B, pulled the blanket off of Resident B, and unfastened the brief that Resident B was wearing. - On 6/14/25 at 4:45 a.m., Resident B was still lying on the floor. A soiled brief was lying on the floor. CNA 3 was assisting Resident B to put on her pants. - On 6/14/25 at 5:13 a.m., Resident B was still lying on the floor. CNA 3 and another CNA entered Resident B's room. CNA 3 walked up to Resident B and quickly pulled the blanket off of her. Resident B was startled. CNA 3 and the other CNA assisted Resident B off the floor and into her wheelchair. During an interview on 7/1/25 at 10:08 a.m., CNA 3 indicated she wasn't sure how long Resident B was left on the floor. Resident B was lying on her fall mat, not on the floor.		to the Quality Assurance and Performance Improvement Committee overseen by the Executive Director. If a threshold of 95% is not achieved, an action plan will be developed to ensure compliance.	

During an interview on 7/1/25 at 10:16 a.m., Qualified Medication Aide (QMA) 1 indicated she was working on the secured memory care unit, on 6/14/25 for night shift. CNA 3 did not make QMA 1 nor CNA 2 aware that Resident B had fallen and was on the floor. Finally, CNA 2 made QMA 1 aware that Resident B had a fall after the two CNA's had assisted her up to her wheelchair.

The clinical record for Resident B was reviewed on 7/1/25 at 11:35 a.m. The diagnoses included, but were not limited to, Lewy body dementia, Parkinsonism, and obstructive sleep apnea. Resident B required a secured memory care unit.

On 7/1/25 at 9:40 a.m., the Administrator provided a copy of a facility policy, titled Abuse, Neglect, and Financial Exploitation Prevention, dated 2/2021, and indicated this was the current policy used by the facility. A review of the policy indicated residents have the right to be free from abuse and neglect.
