Bldg. 00	Evaluation - Noncompliance (c) The scope and content of the evaluation shall be delineated in the facility policy manual, but at a minimum the needs assessment shall include an evaluation of the following: (1) The resident 's physical, cognitive, and mental status. (2) The resident 's independence in the activities of daily living. (3) The resident 's weight taken on admission and semiannually thereafter. (4) If applicable, the resident 's ability to self-administer medications.						
	(d) The evaluation shall be documented in writing and kept in the facility. Based on interview and record review, the facility failed to ensure a self- administration evaluation was completed for 1 out of 3 charts reviewed and a physician order was obtained for self-administration of medications for 2 out of 3 charts reviewed. (Resident B & D) Findings include: 1. A record review for Resident B was completed on 11/27/2023 at 10:40 A.M. Diagnoses included, but were not limited to: intellectual functional disability, hypercholestrolemia and morbid obesity. She admitted to the facility on 11/3/2023. During an interview, on 11/27/2023 at 12:42 P.M., the LPN 2 indicated he removed Resident B's medication from her room on 11/6/2023 because she had no progress note, medication list or diagnoses. He needed to contact the doctor for a med list to put in the computer and request a letter		R 0.	216	All residents self-administering their medications are being audited by the DON for: assessment completion, physician order, and service plan. Audit to also include ensuring that each of these residents that have a companion room, have a locked place for storing of their medications. An admission check list will be in place for nursing for completion of self-medication assessment, physician order, service plan, and locked area, if resident is requesting to administer their own medications. The DON, or designee, will audit all new admission check lists within 1 day of admission for 6 months. Managers will review admission check lists monthly per		01/02/2024
