Any deficiency statement ending with an asterisk (*) denotes a deficiency which the institution may be excused from correcting providing it is determined other safeguards provide sufficient protection to the patients. (see instructions.) Except for nursing homes, the findings stated above are disclosable following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclosed days following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.

	<p>care unit.</p> <p>Review of the facility reportable, dated 9/6/2023, indicated the Resident C was kicked by another resident, resulting in a fall.</p> <p>Review of progress notes, dated 9/6/2023 through 9/7/2023, indicated the record lacked a physical assessment of the resident after the fall. The clinical record lacked documentation of the incident and resulting fall.</p> <p>During an interview on 9/20/2023 at 3:08 p.m., the Director of Nursing (DON), indicated the charge person (QMA 1) never initiated an incident report for the incident. There should have been an incident report. The DON ran a report every morning that flagged incident reports. Since there was no incident report, she had been unaware of the altercation and resulting fall.</p> <p>During an interview on 9/20/2023 at 10:39 a.m., QMA 1 indicated they were not on the unit at the time of the altercation, but had received a report when he returned. Resident C was kicked by another resident and fell. The QMA did not initiate an incident report. The nurse working outside the memory care unit had been called to come and assess another resident that had fallen around the same time. QMA 1 was not sure if the nurse assessed Resident C.</p> <p>During an interview on 9/20/2023 at 12:01 p.m., LPN 2 indicated she had been called to the memory care unit to assess another resident after a fall. She had been informed of the incident, but did not assess Resident C.</p> <p>During an interview on 9/20/2023 at 2:12 p.m., QMA 1 indicated it was out of his scope of</p>				<p>regarding Incident follow-up assessments being completed timely upon notification of the occurrence of an incident. If a Nurse is not present in the community at time of an incident, the nurse on-call shall be contacted to communicate verbal instructions for immediate care. Upon return to the community, a Nurse will complete physical assessment of the affected party(ies) timely.</p> <p>3 Health & Wellness Director/designee will complete 6 monthly audits of random incidents to ensure compliance with assessments as appropriate x 3 months.</p> <p>4 During monthly Quality Assurance meetings, Health & Wellness Director / Designee will bring results of any non-compliance x 3 months. If 100% compliance is achieved, audits will be discontinued.</p>

	<p>practice to assess residents, but he made sure the resident's vitals were within normal limits and he did not see any skin tears. QMA 1 was uncertain if the hospice nurse, who arrived on the unit around 3:30 p.m., had assessed the resident or not.</p> <p>During an interview on 9/20/2023 at 2:23 p.m., the Hospice RN indicated Resident C was not her resident and she did not assess her.</p> <p>2. The clinical record for Resident D was reviewed on 9/20/2023 at 1:54 p.m. Diagnoses included dementia with agitation, hyperlipidemia, and hypertension. The resident lived on the memory care unit.</p> <p>Review of a facility reportable, dated 9/17/23, indicated on 9/17/2023 at 11:01 p.m., Resident D had been struck in the face by another resident. The clinical record lacked any documentation of a physical assessment after the altercation.</p> <p>During an interview on 9/20/23 at 3:32 p.m., CNA 3 indicated she had been leaving a resident's room and observed Resident D being struck in the face by another resident. The residents were separated, and she reported the incident to the charge person, QMA 4.</p> <p>During an interview on 9/20/23 at 2:59 p.m., QMA 4 indicated CNA 3 had reported observing Resident D being struck in the face by another resident. QMA 4 indicated she looked at Resident D's face and did not see any injury. No nurse was in the facility at the time of the incident, and no nurse was called to do an assessment. QMA 4 called the Administrator and received instructions to have CNA 3 write a statement.</p>
