	<p>resident could be discharged from the facility.</p> <p>On 3-29-2021 at 11:32 a.m., upon entering the 10th floor an interview with a resident who wished to remain anonymous indicated they had witnessed residents smoke in their rooms.</p> <p>On 3-29-2021 at 11:37 a.m., the door to room 1021 was ajar. There was a strong odor of cigarette smoke coming from the partially opened door. Resident C answered the door. An observation inside Resident C's room indicated a lit cigarette was on the floor with smoke coming from the cigarette. Several cigarette butts were observed on the floor by the window. During an interview at this time with Resident C, he indicated he was smoking in his room, he knew he should not be smoking in his room, he was supposed to smoke outside in back in the smoking hut. Resident C indicated he knew he could not smoke in his room if he wanted to live in the facility.</p> <p>On 3-29-2021 at 11:49 a.m., upon entering the 9th floor, a high pitched chirping sound came from room 904. The chirping sound was observed to be coming from the smoke detector. The door to room 904 was open and no one was observed to be inside the room. An observation inside the room at this time indicated a ceramic bowl was on top of the beside table with 20 cigarette butts in the bowl and 6 cigarette butts on the floor between the bed and bedside table. A pack of cigarettes and a lighter were observed on the bedside table next to the ceramic bowl.</p> <p>An interview with Nurse 10 on 3-29-2021 at 11:52 a.m., indicated if she would find a resident smoking in their room, she would educate them about going outside and she would try to remove their cigarettes from them. She would also report</p>		<p>an ongoing basis, and concerns related to non-compliance with the smoking facility will be addressed on an individual basis. Smoke detectors will be tested by the Director of Maintenance or designee through the facility's preventative maintenance program. Staff were in-serviced 4-22-2021 by the Administrator on the facility's no smoking policy and staff responsibilities, to include staff protocol regarding the no smoking policy.</p> <p>4.The IDT, with oversight from the administrator will conduct weekly audits to ensure residents are following the facility's smoking policy. The findings from the audits will be reviewed during the facility's quarterly QAPI meeting until there is 100% compliance.</p>

	<p>to the front desk as they keep a log of incidents.</p> <p>An interview with Fire Inspector on 3-30-2021 at 10:50 a.m., indicated there was a city ordinance which prohibits smoking inside the facility, no smoking was allowed outside within 20 feet from the entrance of the facility and 8 feet from any side or back entrances of the facility. The Fire Inspector indicated he had spoken with the ED (Executive Director) and she had set up a plan for violators of the smoking policy. The 1st offense, would be a \$25 fine, the 2nd offense, would be a \$250 fine, and the 3rd offense, the resident would be discharged from the facility. he indicated when the Fire Inspector was contacted, they could issue a \$100 citation to the facility.</p> <p>An observation of Resident H's room with the Fire Inspector on 3-30-2021 at 1:08 p.m., indicated a noticeable cigarette smoke odor was in the room. Resident H was observed in his bed. A ceramic bowl of cigarette butts was observed on the bedside table with some cigarette butts observed on the floor. The Fire Inspector spoke to the resident and asked him about smoking in his room. The resident indicated he would break off the cigarette butt from the rest of the cigarette and place the butts in the dish. The resident indicated he would take the rest of the cigarette outside to smoke. There were some cigarette butts with blackened ends and ashes observed in the dish. There was a cup with water on the bedside table observed with several cigarette butts in the water with blackened ends. The resident was educated by the Fire Inspector about the smoking policy of the facility - smoking was prohibited in resident rooms and the designated smoking area was the smoking hut outside the facility.</p> <p>An observation and interview with Resident D on</p>

	<p>3-30-2021 at 1:17 p.m., indicated the resident was educated by the Fire Inspector about not smoking in her room. The resident indicated her smoking materials were at the front desk. The Fire Inspector educated the resident on the designated smoking area and to not smoke just outside the facility doors.</p> <p>An observation and interview with Resident C on 3-30-2021 at 1:21 p.m. The Fire Inspector educated the resident about the smoking policy. The Fire Inspector pointed out a cigarette butt on top of a sock hat on the floor was a fire hazard. Cigarette butts observed in a dust pan had black ashes. A table in front of the window was observed with round, small, black, burned circles on the top of the table. The Fire Inspector indicated the marks were burn marks on the table and the resident agreed. Black ashes were observed on the floor. The Fire Inspector educated the resident about not smoking in his room and indicated the only designated smoking area was the smoking hut in the back parking lot of the facility.</p> <p>An observation with the Fire Inspector on 3-30-2021 at 1:23 p.m., indicated Resident L's room door was unlocked and Resident L was not in the room. The Fire Inspector entered the room. We observed black ashes on the bedside table. The Fire Inspector performed a successful test on the smoke alarm.</p> <p>In an interview on 3-30-2021 at 1:27 p.m., CNA 13 (Certified Nurse Aide) indicated if she were to observe a resident smoking in the facility, she would let someone know and explain to the resident they were not supposed to smoke in their room. She indicated she would also check their trash to ensure the cigarette butts were out.</p>

	<p>On 3-30-2021 at 1:35 p.m., the Fire Inspector was observed to speak with the ED. He indicated since the facility was going to crack down on this smoking in the building, then the facility would need to track the residents and their violations. The Fire Inspector also indicated instead of staff sitting at a station, the staff should be routinely patrolling the halls.</p> <p>An interview with the ED on 3-30-2021 at 1:43 p.m., indicated all the residents choosing to smoke had been educated on the new process and staff were educated to confiscate smoking material if residents were found smoking in their room or in the facility. She indicated residents and staff were educated the only designated smoking area was the smoke hut on the back parking lot of the facility.</p> <p>An observation of the ED and Fire Inspector indicated they made rounds to some additional rooms for the Fire Inspector to educate residents on the smoking policy. The following residents were observed being educated: On 3-30-2021 at 1:45 p.m., Resident AA was educated. On 3-30-2021 at 1:52 p.m., Resident R was not in her room, but a full ashtray and strong cigarette smoke odor was noted in the room. On 3-30-2021 at 1:54 p.m., Resident K was not in her room.
