Any defiency statement ending with an asterisk (\*) denotes a deficency which the institution may be excused from correcting providing it is determin other safegaurds provide sufficient protection to the patients. (see instructions.) Except for nursing homes, the findings stated above are disclosable following the date of survey whether or not a plan of correction is provided. For nursing homes, the above findings and plans of correction are disclodays following the date these documents are made available to the facility. If deficiencies are cited, an approved plan of correction is requisite to continued program participation.
