Government Center Parking

Government Center parking includes two garages and one surface lot. They include the Washington St. garage (401 W. Washington St.) between Washington and Maryland St. at Missouri St., the Senate garage (220 N. Senate Ave.) at New York St. and Senate Ave., and a surface lot (201 N. Capitol Ave.) on the north side of Ohio St. just north of the Capitol Bldg. See map on page two.

ENTERING/EXITING:

- You use your State ID badge to enter/exit the parking facilities by swiping your badge at the reader.
- Even if the lane is marked "Public" you can still scan your badge on the white bullseye.
- Your badge is for your use only and will not allow multiple vehicles to be in at one time.
- If you have any issues getting at the entry or exit, there a help button on each machine that will call to an attendant.
- There are four separate garages in the Washington Street Parking Garage.

During the morning rush hours (6 a.m. - 8:30 a.m.):

- Garages 1 & 2 & 3 & 4 can be entered from Washington Street and/or Maryland Street.
- When the full lights are on in Garages 2 & 4, you must use Garage #1 or 3.

During the evening rush hours (3:30 p.m. - 5:30 p.m.):

- Garages 1 & 2 & 3 & 4 can be exited toward Washington Street and/or Maryland Street.
- If you don't have your badge to exit, hit the help button on the machine and the attendant will open the gate.

PULLING A TICKET

- If you forget your badge or it is the first day for a new staff member, you can pull a ticket at the gate. This can only be done at entrances 1 and 3 at the Washington St. garage.

- If pulling a ticket at the Senate garage, enter at the middle or right entry from New York St. or at the far right entry from Senate Ave.
- If you park at the surface lot Senate of the Capitol Bldg, you can pull a ticket at both entrances.
- If you won't have a badge to exit, have your ticket validated so you can use that to exit the garage
