

Good afternoon IPAC!

I just wanted to send you all a final reminder about the IPAC Meeting on Friday, September 21, 2018, at 10 AM. The meeting will be both online and in-person at ISDH. We will be covering a variety of topics including: Stop the Bleed, Overdose Fatality Review Team Program, ISDH updates, IPAC strategic plan, Safety Shower Toolkit and more.

**\*\*Please make sure you have reviewed the strategic plan (see attached) and be prepared to provide feedback and suggestions during the discussion. We also ask that you come prepared with detailed updates on what your organization has been working on regarding injury prevention activities and Stop the Bleed\*\***

If you are driving to meet in person, we will be in Rice Auditorium (the basement of ISDH, 2 North Meridian Street, Indianapolis, IN 46204). Please check in the front desk and you will receive a guest badge. You can take the stairs in the lobby straight down to the auditorium.

Parking can be found anywhere downtown that you can find that's public! Circle Center Mall is a close option, but there are other parking garages\lots in the area that are nearby.

My cell is 317-607-5887 if you need anything urgently that day.

Thanks for keeping our Hoosiers safe!!!
