

TRAUMA & NEUROSCIENCE SYMPOSIUM

Virtual | Wednesday, January 21, 2026 | 8:15a-2:15p (EST)
CE/CME Offered | Event is Free to Attend

We invite you to join us for our annual Trauma & Neuroscience Symposium. This comprehensive, knowledge-rich event will highlight best practices and emerging insights in the care of trauma and neurological patient populations. The symposium will feature presentations from esteemed physicians and clinical experts who will share their latest research and perspectives from their vast experience in the trauma & neuroscience field. Don't miss out on this great educational opportunity!

MIRACLE ANOKWUTE, MD, FCNS, NEUROSURGERY

JESSICA BELCHOS RAGLAND, MD, TRAUMA & SURGICAL CRITICAL CARE

JEFFREY GIBBS, MD, MBA, BURN & RECONSTRUCTIVE SURGERY

JODI SMITH, PHD, MD, PEDIATRIC NEUROSURGERY

ANGELA CARBONE, MD, PHYSICAL MEDICINE & REHABILITATION
