

ISDH - EMS Registry Rollout

2013

Why Now?

- Need to evaluate the entire trauma system
- Funding to purchase the EMS registry
- Trauma Registry Rule

“Give Us Back Our Data!”

- ◎ Data review and confirmation
- ◎ Reports will encompass all aspects of Prehospital
 - EMS agency vs. Indiana
- ◎ Link Prehospital and hospital data to review patient outcomes

Current Steps

- ◎ Final stages of installing the EMS database
- ◎ Pilot Project
 - Decatur Township Fire Department
 - AMR
 - DeKalb Hospital EMS
 - Grant County EMS
 - Indianapolis EMS

Next Steps

- ◎ **Recruit EMS providers already collecting data electronically**
- ◎ **Educational Tour**
 - Recruit providers that are:
 - Looking to switch vendors
 - Looking to move from paper to electronic
- ◎ **Training Tour**
 - Train providers on ImageTrend EMS database

Timeline

- ◎ Fall 2012: Discussion of an EMS Registry
- ◎ December 2012: Meeting with EMS Commission Chair & Vice-Chair
- ◎ January 2013: Install EMS database
 - Meeting with Indianapolis EMS
 - EMS Commission Meeting
 - Training with ImageTrend on EMS Registry

Timeline

◎ February: Pilot project

- Stress test the system with Indy EMS data
- Work with pilot participants
- Initial conversation with providers that are collecting data electronically

◎ March: Recruit electronic providers

- Goal: capture as many providers that are already collecting data electronically as possible
- EMS Commission Meeting

Timeline

- ◎ April & May: Educational Tour
- ◎ May: ISTCC Meeting
- ◎ June & July: Training Tour
