Core Public Health Services Activity Summary

This is a snapshot of core service activity as reported by local health departments from Jan. 1, 2024 - Jun. 30, 2025

LAKE COUNTY

Population: 407,116 (Excluding Gary & East Chicago)
Total Number of Preventative Services Provided: 16,290

Access and Linkage to Clinical Care

Total Number of Services Provided: 23

i otal number of Services Provided: 23	
Screening and Referrals (23)	
Number of people screened for high blood pressure through local health department or partners	12
Number of people screened for diabetes risk factors through local health department or partners	11
Child and Adult Immunizations	
Total Number of Services Provided: 9,362	
	F 227
Number of children who received immunizations at the local health department or a contractor/partner of the LHD	5,327
Number of individuals connected with insurance navigation services	2,535
Number of adults who received immunizations at the LHD or a contractor/partner of the LHD	1,454 46
Number of vaccination clinics held off-site of primary LHD location	40
Childhood Lead Screening and Case Management	
Total Number of Services Provided: 682	
Testing (357)	
Number of children tested for blood lead level	145
Number of children identified with an elevated blood lead level (EBLL) above 3.5 µg/dL	81
Number of children identified with an EBLL for whom case management was started	131
Home Services (34)	
Number of homes of children with EBLLs at which the LHD was able to conduct a risk assessment	20
Number of children identified with an EBLL whose homes had an identified lead hazard	11
Number of individuals connected with financial assistance for home lead remediation services	3
Education (291)	291
Number of families provided lead education	148
Number of health care providers or early childhood providers given lead testing/lead reduction education	143
Chronic Disease Prevention and Reduction	
Total Number of Services Provided: 347	
Screening and Referrals (62)	62
Number of people screened for high blood pressure through local health department or partners	23
Number of people identified with undiagnosed high blood pressure through local health department or partners	8
Number of people referred for chronic disease preventative care	31
Programming (161)	
Number of adults participating in nutrition and physical activity education programming	130
Number of seniors participating in nutrition and physical activity education programming	31
Other (124)	
Other Services Provided:	
- Various education provided (dementia, fitness, stress management, etc.)	
- Distributed hygiene kits	124
- Referred or enrolled people in heart disease self-management education support program	
- Identified people with heart disease	
Emergency Preparedness	
Total Number of Services Provided: 31	
	26
Number of emergency preparedness drills/exercises conducted between LHD and other preparedness partners	20
Other (5) Other Services Provided:	3
	5
- Emergency preparedness social vulnerability index education

Notes:

⁻ This report contains data pertaining to preventative core services as reported by local health departments in the activity tracker from 1/1/2024-6/30/2025. - Vital Records only reflects services provided from 1/1/2025-6/30/2025.

- Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.
- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.
- Reported counts may also contain duplications of unique individuals and activities.
 Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.

Data is current as of 7/1/2025
