Number of people provided TB testing (IGRA or TST)	175
Number of people provided treatment for latent TB infection (LTBI)	5
Number of people provided treatment for TB disease	4
Number of people provided Directly Observed Therapy (DOT) services	1

Notes:	
- Activity tracker entries were self-reported by local health departments who opted into Health First Indiana in 2024.	
- Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.	
- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.	
- Reported counts may also contain duplications of unique individuals and activities.	
- Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.	
Data is current as of 1/2/2025 10:00AM
