- Raised community awareness about services LHD offers (car seat checks, lead checks, new programs)	2155
- Pollinator Day at Purdue Extension, and Pinwheels for Prevention participation	
- Safety Town Program (Education provided on bike and road safety, and fire safety education)	
Tuberculosis (TB) Prevention and Case Management	
Total Number of Services Provided: 235	
Number of people provided TB testing (IGRA or TST)	37
Number of people provided treatment for latent TB infection (LTBI)	12
Number of people provided treatment for TB disease	2
Number of people educated on TB	180
Number of people with a Class B1 TB designation served	4

## **Notes:**

- Activity tracker entries were self-reported by local health departments who opted into Health First Indiana in 2024.
- Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.
- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.
- Reported counts may also contain duplications of unique individuals and activities.

Other Services Provided:

- Naloxone training and outreach

- AED trainers provided for local school

- Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.

Data is current as of 1/2/2025 10:00AM
