**Notes:**

- Activity tracker entries were self-reported by local health departments who opted into Health First Indiana in 2024.
- Calculations focused on number of services provided summing the subfields when data was available; when unavailable, the number of unique individuals served was used.
- Changes to these data and/or associated collection methods may affect the comparability of counts to previous or future reports.
- Reported counts may also contain duplications of unique individuals and activities.
- Population data are based on the 2023 U.S. Bureau of Census estimate population counts for Indiana and its county populations.
