

Cemetery Commission of Putnam County, Indiana  
Annual Report for the Calendar Year 2024

Pursuant to Indiana Code 23-14-67-3.5, the Putnam County Cemetery Commission respectfully submits this annual report for the calendar year 2024.

Section One (1) - The budget of the county cemetery commission for the preceding calendar year:

During the calendar year 2023 the Putnam County Commissioners budgeted \$14,115 to the Putnam County Cemetery Commission.

Section Two (2) - Expenditures made by the county cemetery commission during the preceding calendar year:

The Putnam County Cemetery Commission expended \$13,559.83 of the budget allocated by the County during the calendar year 2023. The budget for 2024 was increased to \$21,300.

Section Three (3) - Activities of the county cemetery commission during the preceding calendar year:

During the calendar year 2023, the Putnam County Cemetery Commission contracted for mowing of nine cemeteries in Putnam County, contracted for tree and debris removal for two cemeteries, and contracted for restoration of three pioneer cemeteries, the Mace cemetery in Washington Township, the Dixon cemetery in Franklin Township and the Chastain Cemetery in Jackson Township. Refer to attached addendum.

Section (4) - Plans of the county cemetery commission for the calendar year during which the report is filed:

The Putnam County Cemetery Commission plans to again mow the nine cemeteries noted above and also to contract to remove trees and other debris and/or restore, reset and clean tombstones as deemed necessary in four to six additional cemeteries. The long-term goal of the Putnam County Cemetery Commission is to restore, as deemed appropriate by the Commission a total of 20-25 cemeteries in Putnam County, refer to the attached addendum.
