

Complaint Log - 2021

COMPLAINT DATE	NAME	SUMMARY OF COMPLAINT	COMPLAINT RESOLUTION	DATE RESOLVED
10/19/2021	Timothy Konkle	Alleged the 2020 IHRC Annual Report had not been timely released, delaying crucial information for breed development committees to use.	Information contained in the report is available to the committees upon request, even though the report had yet to be published.	10/29/2021
10/14/2021	John D. Wilson	Concern of a horseman serving a 15 day suspension in Ohio and his horses racing (and being transferred to another trainer) at the Indiana county fairs.	No Violation. IHRC has no jurisdiction per State Statute IC 4-31-1-1. Fair races use the USTA as the regulatory body.	10/14/2021
9/23/2021	Tim Glyshaw	Allegations that an owner was racing an unsound horse that should not be permitted to race.	No violation. The horse was determined to be sound by the racetrack veterinarian and was able to race.	9/27/2021
9/23/2021	Amy Napariu	Allegations that an owner was racing an unsound horse that should not be permitted to race.	No violation. The horse was determined to be sound by the racetrack veterinarian and was able to race.	9/27/2021
8/19/2021	Jay Holden	Opposed to the one-time waiver of 71 IAC 13.5-2-3, which allowed for late registration of two specific stallions.	Pursuant to 71 IAC 2-2-1, IHRC rules may be waived by the commission or executive director. Good cause found to waive the rule.	10/15/2021
