News & Updates from the Indiana Horse Racing Commission

Flat Racing Rule Changes

The Indiana Horse Racing Commission met on Monday, April 17, 2017, in Indianapolis to discuss rule changes for the Thoroughbred and Quarter Horse race meets. To see these changes, [click here for the PDF](#).

You can also view the latest rule changes for 2017: [2017 Rule Changes](#)

Reminder to Trainers:

As we are in the midst of the race meets, please keep in mind rule 71 IAC 5-3-3 (a)4 & 71 IAC 5.5-3-3(a)4.

Please remember that if you have a change in employees, you must come into the Commission office to mark the appropriate changes to your employee roster. As a trainer, you are responsible for notifying the IHRC within 24 hours.

Should you have any questions, please contact the Commission office: 317-233-3119

Centaur Equine Specialty Hospital Now Open

The Centaur Equine Specialty Hospital is now officially open! The Commission is excited about the opportunity that the hospital, a partnership with the Purdue University College of Veterinary Medicine and Centaur Gaming, brings to the horse racing industry, and the entire Indiana equine industry.

The hospital is located just minutes from Indiana Grand Race Course & Casino in Shelbyville. For more information, visit their [website](#).

Online Licensing System

Still need to purchase or renew your Indiana horse racing license before racing at Indiana Grand? Skip the line, do it online!
