In appropriate circumstances, a Commission Member receiving or otherwise participating in such a prohibited communication can be disqualified from acting further on the Application before the Commission.

Additionally, when acting as an Administrative Law Judge, each Commission Member is prohibited (pursuant to Indiana Codes section 4-21.5-3-12) from commenting publicly, except as to hearing schedules or procedures, about pending proceedings. Secondary Pari-Mutuel Organization Probationary Approval to Amend License

Dear Mr. Clemmens,

This letter is to inform you that the Staff of the Indiana Horse Racing Commission (“IHRC Staff”) has received and reviewed the request from AmWest Entertainment, LLC, d/b/a AmWager.com (“AmWest”), wherein AmWest will become 100% owned by AmWest Entertainment Global, Inc., with Nelson E. Clemmens owning 100% of AmWest Entertainment Global, Inc.

Ind. Code § 4-31-7.5-1 provides that “... it is the intent of the general assembly to recognize changes in technology for pari-mutuel wagering and to retain for the Indiana horse racing industry a part of revenues generated by Indiana residents on wagers placed with secondary pari-mutuel organizations [(“SPMOs”).]” Further, pursuant to IHRC rules, “[a] **licensed SPMO shall not make subsequent material changes in the plan of operations or advance deposit wagering terms and agreement, or both, unless ordered by the commission or until approved by the commission after receiving a written request.**” 71 IAC 9-2.2-4(d), (emphasis added). Since prior Commission approval has not been granted, the executive director has authorized (under 71 IAC 2-2-1(b)) **probationary** approval to amend AmWest’s SPMO license application to reflect AmWest Entertainment Global, Inc., with Mr. Clemmens owning 100% of AmWest Entertainment Global, Inc., assuming full ownership of AmWest Entertainment, LLC, d/b/a AmWager.com.

The issuance of this probationary approval confirms that the IHRC Staff has found that AmWest’s reorganization plan is substantially compliant with the application requirements set forth in 71 IAC 9-2.2 *et seq.* This probationary approval does not, however, waive any right of the IHRC to request additional application information or conduct an additional investigation of the matter, pursuant to the authority set forth in 71 IAC 9-2.2-4. AmWest’s probationary approval is contingent upon its ongoing commitment to supplement or amend its SPMO application as required by the IHRC Staff or Commission.

Therefore, AmWest’s SPMO license is amended to reflect the reorganization as provided to the IHRC Staff.

State of Indiana Indiana Horse Racing Commission

Mike Braun, Governor

www.in.gov/hrc

The AmWest SPMO license amendment will be presented for approval/denial at the next publicly scheduled meeting of the Commission. AmWest must continue to comply with IHRC Staff or Commission requests for additional information and/or IHRC Staff investigations into the information offered. Any failure to cooperate with IHRC Staff or Commission in its continuing evaluation process may result in immediate revocation of the amended probationary license.

If you have any additional questions or concerns, please do not hesitate to contact IHRC Staff Attorney Dale Lee Pennycuff via email at DPennycuff@hrc.IN.gov or General Counsel David Rothenberg via email at DRothenberg@hrc.IN.gov or Deputy General Counsel Matt Eggiman via email at MEggiman1@hrc.IN.gov.

Chairman Borst and Executive Director Smith,

I am happy to report that the takeout reduction on our Late Daily Double (15%) has been a major success through the first three days of the 2026 racing season. Handle on that particular wager has increased 60% and been a very positive marketing tool for our Team to use. On the operational end of the wager, there have been some tote issues that can be solved, seeing as how popular the wager has been.

With that in mind, we are respectfully requesting approval from the IHRC on a reduction in takeout for the 2026 meet for all of our Daily Double wagers to go to 15%. With the high demand for the wager from the public and the elimination of the minor tote issues it is an idea that both Horseshoe Indianapolis and the horsemen believe will be beneficial to our racing program.

Thank you for your consideration,

Good afternoon, everyone. As you know, Section 2 of the Initial Distribution Agreement (“IDA”) entered into by and among Harrah’s Hoosier Park, Horseshoe Indianapolis, the IHBPA, the ISA, and the QHRAI provided for an initial term ending on December 31, 2014 (“Initial Term”), which automatically extends for additional one-year terms provided that neither the Negotiating Committee of the licensees or the associations provides written notice of non-renewal prior to September 1st of any then-current term. The IDA has been extended annually following the Initial Term.

The purpose of this email is to notify the Indiana Horse Racing Commission (“Commission”) that as of September 1, 2026, no notice of non-renewal has been given or received by either the licensees’ or the associations’ Negotiating Committee and, therefore, a Thirteenth Subsequent Term will commence on January 1, 2027 and end on December 31, 2027. No action or approval is required by the Commission.

Please let me know if you have any questions or require additional information.

Thank you,

Tim
