Why do you need Hoosier Horsepower?
Why Indiana?

The Indiana Thoroughbred Breed Development Program provides incentives and awards to three important elements of the Indiana Thoroughbred industry: owners, breeders and stallion owners. These incentives and awards promote investment of capital into the Indiana economy (via Thoroughbred breeding, racing and related agri-business) and maximize the positive impact to the state’s economy. The incentives reward risk, and the awards reward success on the racetrack through winning.

The Indiana-Bred Program was established on November 28, 1995, by the Indiana Horse Racing Commission (IHRC) and the Thoroughbred Development Advisory Committee. The original program, and subsequent modifications, are the result of input from Indiana owners, breeders and trainers, as well as analyzing successful state-bred programs in the United States and Canada.

“We are proud of the Indiana state bred program that we have helped to build with our committees, owners and breeders.”

Jessica Barnes, Director of Breed Development
What is an Indiana-Bred?

An Indiana-bred is a horse that meets the following requirements:

✔ Foal whose dam entered Indiana by November 1 of the year prior to foaling

✔ Foal whose dam was registered with the Indiana Horse Racing Commission by November 1 of the year prior to foaling

✔ Dam remained in Indiana from November 1 through foaling

✔ Foal is born in Indiana

✔ Foal is registered as an Indiana-Bred

OR

✔ Dam enters Indiana after November 1, but prior to foaling

✔ Dam registered with the Indiana Horse Racing Commission prior to foaling

✔ Foal is born in Indiana

✔ Dam is bred back to a registered Indiana stallion in the year the foal is born

✔ Foal is registered as an Indiana Bred

“What attracted us to Indiana from Michigan was the strong breeding program and the breeder’s awards in Indiana.”
Pat and Dennis Doran, Oak Ridge Farm, Palmyra, Indiana

How are breeders rewarded?
The breeder of a registered Indiana-bred which wins any race at Indiana Grand Racing & Casino earns:
✔️ 20% of the gross purse for all stake, allowance and claiming races, except when entered for a claiming price of less than $10,000.

How are breeders of out-of-state race winners rewarded?
The breeder of a registered Indiana-bred which wins a race in another state, Puerto Rico or Canada earns:
✔️ 10% of the winner’s share of the purse for any race, except when entered for a claiming price of less than $10,000.
✔️ When there is no live Thoroughbred race meet in progress in Indiana (except for stakes races), and for 2-year-olds winning out of state prior to July 1 of race meet.
✔️ Each out-of-state award is capped at $10,000.

Profit Potential

The profit potential of an Indiana-bred can be substantial. The following tables indicate the approximate earning potential for an Indiana-bred racing at Indiana Grand Racing & Casino.

How are stallion owners rewarded?
The owner or lessee of a registered Indiana stallion whose registered progeny have won any race at Indiana Grand Racing & Casino earns:
✔️ 10% of the gross purse for all stake, allowance and claiming races, except when entered for a claiming price of less than $10,000

**All breeder and stallion awards will be directly paid to the winning breeder or stallion owner. Awards will not be paid through the purse account at the racetrack.**
To register your horse as an Indiana-bred racehorse, you must submit a completed official application to the IHRC. Because registration dates and rules vary for foals, stallions and mares, read the following guidelines and check our website for any updates. Registrations may be made by mail, fax or online. Applications are available at in.gov/hrc/tb

Mares
Any Thoroughbred foaled in the state of Indiana must have his dam registered with the IHRC. All mare owners will have a choice as to how they register:
✔ Enter Indiana by November 1 in the year prior to foaling and remain in Indiana continuously until foaling.
✔ Register with the Indiana Horse Racing Commission by November 1 in the year prior to foaling.

OR
✔ Enter Indiana after November 1 in the year prior to foaling and remain until foaling.
✔ Mare must be bred back to a registered Indiana stallion after foaling.
✔ Register mare with the Indiana Horse Racing Commission prior to foaling.
Registration must be filed every year for each pregnancy.

Foals
Submit a completed application within twelve (12) months of the horse’s foaling date. If you do not register by the required date, a late fee will be assessed in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Period</th>
<th>Fee</th>
</tr>
</thead>
<tbody>
<tr>
<td>12 months + 1 day to December 31</td>
<td>$200</td>
</tr>
<tr>
<td>of yearling year</td>
<td>$400</td>
</tr>
<tr>
<td>2 year old year</td>
<td>$1,000</td>
</tr>
<tr>
<td>3 year old year</td>
<td></td>
</tr>
</tbody>
</table>

Stallions
Submit a completed application on or before October 15 of each year prior to breeding season. Each registered stallion must remain in Indiana for the entire breeding season (February 1 through July 1). New stallions arriving late cannot have covered any mares in another state during the same year.

New stallions standing in Indiana must file their application prior to breeding their first mare.

An application must be filed every year. There will be a $250 late fee for applications filed after the deadline for returning stallions. The late fee is waived for new stallions standing their first season in Indiana.

How are the Funds Generated?

The Thoroughbred Breed Development Fund receives 45% of the revenue generated from slot machines, which is allocated for Thoroughbred racing. In addition, the fund also receives a portion of all breakages (the difference in the rounding off of pari-mutuel payoffs) and outs (uncashed tickets) from the pari-mutuel industry.

Indiana Grand

Originally named Indiana Downs, the premiere flat racing track in Indiana was established in 2002, prior to the approval of slot machines. Originally this track was designed as an all-breed track and raced Standardbreds, Thoroughbreds and Quarter Horses up until 2013. The first flat racing meet, which was 30 racing days, was held in December 2002. Upon completion of the casino in 2013, Centaur Gaming purchased Indiana Downs and renamed it Indiana Grand Race Course & Casino. It is the state’s only licensed pari-mutuel racing venue for Thoroughbreds and the first and only turf track. Live racing is offered seven months out of the year at the Shelbyville facility that features a one-mile dirt track and seven-furlong turf course.
