

DEPARTMENT OF CONSERVATION
INVENTORY OF FILES

This project, completed August of 1988, consisted of the cross referencing of the current finding aid cards with the actual files. The correct location numbers from the files were placed on the finding aid cards and on the corresponding finding aid sheets (the following document). Working on this project were Scott Ellman, Jim White, and Tammy Carlsgaard. The Leiber Research files have not been inventoried.

DEPARTMENT OF CONSERVATION
FINDING AID
1919 - 1955

The Department of Conservation was created in 1919 and abolished in 1965.
It was replaced by the Department of Natural Resources.
