Indiana Civil Rights Commission is looking for Fair Housing Field Agents. Fair Housing laws ensure equal opportunity to home ownership and rental without regard to a person's race, national origin, ancestry, sex, religion, disability or because he or she has children. Nonetheless, individuals are often times denied due to these characteristics, or told that housing is not available when, in truth, it is. Most such incidents go unreported. Fair housing volunteers can assist the Commission in identifying such practices in order to make Indiana a better place to live—FOR ALL PEOPLE.

Fair Housing Field Agents are trained and will be paid for each completed review. For more information and to complete an application, contact us by phone, email or on our website.
