SPONSORSHIP INVITATION

On behalf of the Board of Commissioners, we invite you to become a 2017 sponsor! With your sponsorship, ICW will be able to leverage every dollar we receive to serve the women of Indiana! We will be able to continue to move Indiana women forward with efforts to encourage all citizens to become more aware of the issues women face and to assist women in becoming better connected to the opportunities, resources, and services available to them in their communities and throughout Indiana in the hopes that they will become more engaged as leaders in resolving challenges they face.

Together, we can raise awareness of the issues affecting women and their families and can recognize and encourage them to contribute to Indiana’s success. As a supporter of the Indiana Commission, you will not only be able to help a woman or girl to succeed but also to ensure that their family, their communities, the state, and the nation prosper.

Thank you for your consideration. We look forward to hearing from you. Please feel free to contact ICW with any questions at (317) 232-6720 or info@icw.in.gov. To learn more about our agency please visit our website at www.in.gov/icw.

OUR VISION

The Indiana Commission for Women (ICW) is committed to the full participation of women in all aspects of society in order to make Indiana a better place to live, work and raise a family. Our Mission is to understand the needs of Indiana women and their families, and to work strategically both within government and in our communities to help bring about positive solutions.

We work to remove barriers that hinder women’s participation by increasing awareness of the status of women and their families and the issues they face; recognizing and promoting the contributions that Hoosier women make to their community, state and nation; providing balanced analysis of public policy issues that impact women in Indiana; and achieving operational excellence that provides great government service at a great value to taxpayers.

It is our hope that we can move Indiana women forward by encouraging them to retrain, learn about and connect to available opportunities and resources, start a business, or step forward as leaders in their industries and in their communities so that they can achieve economic stability and prosperity and be part of a new 21st Century skilled and ready workforce.

SUPPORTING THE INDIANA COMMISSION FOR WOMEN

Your support will:

♦ Promote the contributions women have made—and continue to make—to Indiana.

♦ Raise awareness of key issues that inhibit women and girls from reaching their full potential.

♦ Build a foundation that will help ICW and Indiana celebrate the 100th Anniversary of Women’s Right to Vote in 2020.

♦ Help ICW develop the next generation of leaders, giving girls and young women the opportunity to explore their own leadership ability and build the foundation for community engagement and public service.
OUR PROGRAMS AND SERVICES

♦ Annual Torchbearer Awards: Every year, the board of commissioners presents the annual Torchbearer Awards, given to women who have overcome obstacles, made extraordinary contributions, or who have been pioneers throughout their lives.

♦ Hoosier Women Speak: ICW developed Hoosier Women Speak to identify key issues affecting women regionally and statewide and to understand critical needs women perceive as important in their communities.

♦ Hoosier Women Lead: ICW continues to monitor women's progress as leaders in all policy- or decision-making positions with an emphasis on local, county, and state government levels.

♦ Preparing the Next Generation Leadership Workshops: ICW offers a one-day on-demand workshop for high school girls and/or young collegiate women who want to learn how to become more effective leaders.

♦ Research Reports and Fact Sheets: Dedicated to improving the economic stability and success of women in Indiana, ICW continues to publish reports on significant issues affecting women to highlight their status, condition, and contributions.

♦ Writing Her Story: ICW created Writing Her Story to celebrate the accomplishments made by both historical and contemporary women that contribute to Indiana’s progress while shedding light on the resilience and strength of Hoosier women.

Our mission is to understand the needs of Indiana women and their families, and to work strategically both within government and in our communities to help bring about positive solutions.
