	Method (From Step 3 in SOP)	Verification	Comments
<input checked="" type="checkbox"/>	(a) Inspection/Site visit	Inspection Date:	11/8/2017 This is the site of the Hansen Aggregates Milner Quarry. There is no Crushing Concepts at this address.

David Conlon Shortly after 11/8/2017 Resident Agent Yes <input type="checkbox"/> No <input checked="" type="checkbox"/> The corporate address listed in the SSOA is 6300 Kelly Drive, Jackson, MI 49201. A state of Michigan website for corporations (https://cofs.lara.state.mi.us/corpweb/CorpSearch/CorpSearch.aspx) says that Crushing Concepts, Inc., located at this address, was dissolved in 2002. Its resident agent was M. David Conlon located at the same address. No telephone number or email address was given. Also see the first block (f) below.
<input checked="" type="checkbox"/>	(c) Internet search (attach any article found)	Date of Search:	4/30/2020 The only relevant article from a google search on "crushing concepts" was a Manta.Com entry for the company in Jackson Michigan at the mailing address shown in the SSOA. This appeared to be an old entry with very little data. https://www.manta.com/c/mm5kts4/crushing-concepts-inc .
<input type="checkbox"/>	(c) County Health Department	Contact & Date:	
<input checked="" type="checkbox"/>	(d) Secretary of State's website operating status	Operating? Indiana Secretary of State has no listings for Stoneco in Peru.
<input checked="" type="checkbox"/>	(e) Commenced construction	Commenced within 18 months? Date of Issuance of Permit:	Yes <input checked="" type="checkbox"/> VFC has an opacity test report from the source dated 4/3/1998 No <input type="checkbox"/>

		verified	Nuwber.com says there is a David Conlon at the Kelly Drive address [see block (b)] with a telephone number of 517-914-7506. This number also does not work. Calls were attempted to these numbers within a few days of the 11/8/2017 inspection.

<input checked="" type="checkbox"/>	Other Information		The SSOA application said that the source's site was the Stoneco Milner Quarry. The current address of the Milner Quarry is 3571 W 500 S, in Peru. VFC Document 37132482 is letter from Stoneco stating that it sold the Milner Quarry (S103-9394-05114) to Hanson Aggregates. VFC document 43574388 contains Administrative Amendment S103-17995-05114 acknowledging the change of ownership and specifying the location as 3571 W 500 S. In an 11/8/2017 inspection, Rita Gillespie, a long-time employee at Hanson Aggregates and, earlier, Stoneco, said that a long time ago (in the 1990s) there was a portable crusher owned by someone else (which may have been Crushing Concepts) that was located at the Milner Quarry. This only lasted a few years. She did not know why it left or where it went.
