DESCRIPTION OF SOURCE:

The source was a stationary grain mixing, shipping, and storage operation.

BACKGROUND:

The source was issued a Registration (181-12045-00040) on 12/21/2000.
The source was last inspected on 6/28/2010 and no violations were discovered.

PROCESS DESCRIPTION/FINDINGS/OBSERVATIONS:

On June 12, 2019 I arrived at the location of the Cargill AgHorizons, and it was visually determined that they are no longer in operation. The location was occupied by Vanmeter Trucking Company. I called the contact listed in the permit on 6/12/2019, and the number was disconnected. No one was on site, and there was no sign of Cargill AgHorizons at the location.

The person I talked to seemed to be unaware of the Cargill in Monon, IN. They connected me to someone else and they haven't returned my message. I tried calling a contact for Cargill, Monon and the number was disconnected.
