Lauren,

CST100011926 D&S Industries at 207 E St Joseph Street, Bristol Indiana has an active MSOP Air Permit which I have attached M039-45369-00667. The permit was renewed 07/20/2022 and does not expire until 07/20/2032. I need to know if D&S Industries is still open and operating as they have quit paying for their MSOP annual fees billed each March and the mail sent to their address is coming back undeliverable. According to the Secretary of State's business search, D&S Industries Inc filed a certificate of dissolution, which is also attached.

If D&S Industries is closed we will need to revoke the MSOP Air Permit M039-45369-00667 so I can stop billing them for the annual fee. If D&S Industries cannot send in the application to have the permit revoked, the attached recommendation to revoke air permit form one of you will need to fill out and submit. Can one of you please whoever handles Elkhart County please get this information and get back with me.
